JANUARY 4, 2016

To whom it may concern

I have had a very rewarding business relationship with Guy Laferrara at Lee and Associates for over fifteen years. Guy has been most helpful in our purchasing, selling and leasing several commercial properties in Orange and San Diego Counties. He is responsive to our needs and honest in his approach

We would highly recommend him for any matters in the real estate profession. Please feel free to contact me if you have any questions,

Warren Gunter
