

To whom it may concern,

I can't say enough about Brock Stryker's professionalism, true caring nature, and extensive knowledge/connections. He brings all these qualities to the table for his clients, not just in the real estate transaction, but in the transition to their new building/location. I have worked with Brock for four years and in that time he has guided me through the process of locating and executing three leases. Brock even helped me with sublet leases that he received no commission on. That was a good indication of the level of commitment Brock has to service and his clients. That and he is simply a very good person. Throughout the process he was extremely responsive and thoughtful in his recommendations to me. I've worked with a lot of realtors, and Brock is the most service-oriented realtor I have worked with. He even went so far as to send me a gift card when my wife gave birth to our first child recently. Brock doesn't forget you once the deal is done. All the people I have interacted with have nothing but positive things to say about him as well. To this day, he always makes me feel like helping me is his highest priority. I highly recommend Brock for your real estate transaction. I now use Brock as my sole realtor within my network.

Sincerely,

Ryan Steinhoff
